

January 10, 2025

Our hearts go out to the families who have been devastated by the wildfires in Los Angeles County. There are no words that can bring comfort at a time like this when we see the heart and soul taken away from thousands of families whose lives will never be the same again.

As our brave firefighters and first responders continue to battle the fires in Pacific Palisades, Pasadena, Altadena, Sylmar and Hollywood, we here at Labor Community Services are ready to help any family in need. The impact of these fires will be felt by those impacted for months to come. As Angelenos, we are prepared to do our part to come together and uplift the spirits of those most affected, and bring hope into their lives when they need it most.

As we look at the rough road ahead, we ask for your support by donating to our [Los Angeles Fire Relief Fund](https://lcs-la.org/la-fire-relief) at <https://lcs-la.org/la-fire-relief>. These funds will be used to provide the basic essentials that will serve as building blocks to restoring a sense of normalcy in the lives of those who have been impacted.

If you would like to make a donation via check, checks can be mailed out to:

Labor Community Services
2130 James M Wood Blvd.
Los Angeles, CA, 90006

Please make checks payable to "Labor Community Services", and on the memo line please write "Los Angeles Fire Relief".

Make no mistake - this relief effort will require an "all hands on deck" approach, and we at LCS are prepared to go all in to compile all of our resources and begin restoring hope for those who have been impacted.

From the COVID-19 Pandemic to the Maui Wildfires, LCS has consistently answered the call to action, and we're fully prepared to do so again. Afterall, we are the City of Angeles; we are LA.

In Unity,

Norma López
Executive Director
Labor Community Services
Council
